Hollywood Stars Come Out for Ravalli County Students - MAPS Media Institute

November 20, 2009

Every month, notable Hollywood pro's lecture at the MAPS Media Institute <http://www.mediarts.org/> facility in Hamilton. The purpose of this guest professional program is to share real world industry lessons, perspective and experience and also provide a network of contacts that can benefit MAPS students in the future.

This November, Jeremy Sauter, came to MAPS. Jeremy is former senior vice president of creative advertising at Paramount Pictures and is currently exclusive to Paramount as a Missoula-based marketing consultant.

© 2009 It's called MAPS™: Media Arts in the Public Schools.
